Learn the Secrets of the Art of Persuasion, Dark Psychology, NLP, Hypnosis, Master Your Emotions, and Mind Control Techniques Aicem Limited Emotional Intelligence or EQ for short is the way we show ourselves and how we can read others. Everyone has body language, speech patterns and facial expressions. EQ is all about how you manage your own as well as read others. Once you master the ability to control your own emotions, and how you manage your "shows and tells" you will be able to learn how to read others, thereby increasing your chances of success in every walk of life, from interviews to dates, from controlling crowds to becoming a chameleon. EQ is a relatively recent development, although first discussed in 1964, it reached public awareness only in 1995 and from there it has grown into a science all unto itself. There are many books and seminars about EQ, in this book we try to simplify things in an easy to understand language with the hope it helps you make that first step into improving your life chances through improving your EQ.
