 Angus Buchan gained international attention in the wake of the book and film

Faith Like Potatoes. He has filled the largest stadiums in South Africa to capacity and spoken to large gatherings in Britain and Australia. But behind the scenes he remains a straight-talking, tough farmer, still working with his sons to run the family farm, still seeking to remain obedient to God's voice. Angus's bold faith has carried him through droughts, family tragedies, and financial crises. And God has used him mightily. Angus has developed a particular ministry to men, holding many rallies specifically for men and proving capable of communicating with ordinary guys who would never get closer to a church than the freeway. He loves to preach the good news of Jesus. "Doubt and fear may be contagious," he says. "But so is faith." Now in his sixties,

Angus has also had to come to terms with his own mortality after collapsing in the middle of a rally and being airlifted to a hospital. Forced to reappraise his priorities, he now focuses his efforts upon mentoring younger men, encouraging them to develop their own spiritual maturity, to truly come of age.

From June 1963 to October 1964, ten

anti-apartheid activists were tried at South Africa's Pretoria Supreme Court. Standing among the accused with Nelson Mandela, Ahmed Kathrada, and Walter Sisulu was Denis Goldberg. Charged under the Sabotage and Suppression of Communism Acts for "campaigning to overthrow the government by violent revolution," Goldberg was found guilty and sentenced to life imprisonment. The only white man convicted during the infamous Rivonia trial, he played a historic role in the struggle for justice in South Africa. In this remarkable autobiography, Goldberg discusses growing up acutely aware of the injustice permeating his homeland. He joined the South African Communist Party and helped found the Congress of Democrats. It was his role as an officer in the armed underground wing of the African National Congress (ANC), however, that led to his life sentence -- the outcome of which was a staggering twenty-two years behind bars. While he was incarcerated, the racist dogma of apartheid imposed complete separation from his black comrades and colleagues, a segregation that denied him both the companionship and the counsel of his fellow accused. Recounted with humor and humility, Goldberg's story not only provides a sweeping overview of life in South Africa both during and after apartheid, but also illuminates the experiences of the activists and oppressors whose fates were bound together.

Come of Age Gadow Press

As jong seun het Danie Smuts met 'n blikkie agter vee in die veld aangeloop om kuttels te versamel vir 'n konkoksie om maselspasiente se simptome te verlig. Min het hy toe geweet dat hy eendag die legendariese aanbieder van 'n gewilde Springbok Radio-program sou word waarin die volk kure vir allerlei kwinte en kwale deel. Toe Boererate - 'n keur van die tradisionele advies wat luisteraars oor die jare vir Smuts se radioprogram ingestuur het - in 1989 verskyn, was dit onmiddellik 'n treffer. Sedertdien het dit 'n besondere boek uit sirkulasie verdwyn, maar die aanvraag daarvoor nie. 'n Byna vergete era in die Afrikaanse kultuurgeskiedenis word in herinnering geroep deur die vreemdsoortige en dikwels skreeusnaakse wenke. Die volgende stappe word byvoorbeeld aanbeveel om griep te bekamp: 1. Plaas 'n bottel whiskey en 'n glas saam met 'n brandende kers langs jou bed. 2. Klim in die bed, maak seker jy lê onder baie komberse, en begin geleidelik aan die whiskey teug. 3. Sodra jy twee kerse sien, sit die glas neer, plaas die prop terug op die whiskey-bottel, blaas al twee kerse dood en gaan slaap. Maar wees gewaarsku: Dat die griep binne 24 uur sal verdwyn, word gewaarborg, maar jy mag dalk 'n hoofpyn oorhou.

Boererate Heruitgawe Van Danie Smuts Se Versameling Skreeusnaakse Tradisionele Boererate

After exploring more than twenty other African nations using only public transport, Sihle Khumalo this time roams within the borders of his own country. The familiarity of his own car is a luxury, but what he finds on his journey through South Africa ranges from the puzzling to the downright bizarre. Voyaging from the northernmost part of South Africa right to the south, the author noses his car down freeways and back roads into small towns, townships, and villages, some of which you'll have trouble finding on a map. But this is no clichéd description of beautiful landscapes and blue skies. Khumalo is out to investigate the state of the nation, from its highest successes to its most depressing failures. Whether or not he's baffled, surprised, or sometimes plain angry, Sihle Khumalo will always find warmth in his fellow South Africans: security guards, religious visionaries, drunks, political activists and the many other colourful personalities that come alive in his riveting account.
